### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with David Schwartz on August 2, 2004.

The application has been amended as follows:

The claims to be amended are listed in the amendment filed on July 6, 2004, pages 9-11.

Claims 1-3, line 1, before the article "A", the phrase - - (currently amended) - - has been inserted.

Claim 1, lines 1, 2-3, 4 and 12, the phrase "sticker strip" has been changed back to - -sticky loop - -.

Claim 2, lines 1, 2-3, 4 and 10, the phrase "sticker strip" has been changed back to - - sticky loop - -.

Claim 3, lines 1, 2-3, 4 and 10, the phrase "sticker strip" has been changed back to - - sticky loop - -.

2. The following is an examiner's statement of reasons for allowance:

A review of applicants' arguments filed on July 6, 2004 and a review of the instant amended claims has convinced the examiner that the claims are allowable over

the applied prior art of record. The prior art fails to teach or suggest a sticky loop comprising of three panels only, wherein the panels have the features as claimed, and the two foldable panels are folded to form the continuous flat loop with the entire outer surface having adhesive thereon. Also, no evidentiary support could be provided to support the position that the claimed invention would have been obvious to one having ordinary skill in the art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Nasser Ahmad whose telephone number is 571-272-1487. The examiner can normally be reached on 7:30 AM to 5:00 PM, and on alternate Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Harold Pyon can be reached on 571-272-1498. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
